MEMBER BUSINESS ACCOUNTS

TRUTH-IN-SAVINGS DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts:

1. Rate Information. The Dividend Rate and Annual Percentage Yield on your accounts are set forth herein. For Business Share Savings, Business Money Market Savings, High-Yield Business Checking and Non-Profit Business Checking Accounts, the Dividend Rate and Annual Percentage Yield may change monthly. For Premier Business Checking Accounts, the earnings credit Rate may change monthly. Earnings credit allowance is an earnings credit allowance used to offset fees accrued on the business account. For Basic Business Checking Accounts, no Dividend Rate will be paid. The Business Money Market Savings and High-Yield Business Checking Accounts are tiered-rate accounts. The Dividend Rate and Annual Percentage Yield applicable to the Business Money Market Savings, High-Yield Business Checking, Non-Profit Business Checking Accounts depend on the balance ranges set forth herein. Once a balance range is met, the Dividend Rate and Annual Percentage Yield for that range will apply to the full balance of your account. For Certificate Accounts, the Dividend Rate and Annual Percentage Yield are fixed and will be in effect for the term of the account. For Guaranteed-Rate Certificate Accounts, the Dividend Rate and Annual Percentage Yield for one additional term will be set at account opening and will be fixed for that one additional term. For Bump-Rate Certificate Accounts, you may elect to adjust the Dividend Rate to the rate currently offered for Bump-Rate Certificate Accounts once during the original term of the account. The Annual Percentage Yield is based on an assumption that dividends will remain on deposit until maturity. A withdrawal of dividends will reduce earnings.

2. Nature of Dividends. For Business Share Savings, Business Money Market Savings, High-Yield Business Checking, and Non-Profit Business Checking, dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period. The Dividend Rate and Annual Percentage Yield set forth herein are accurate as of the Effective Date and is the rate which the credit union anticipates paying for the applicable dividend period.

3. Compounding and Crediting. Dividends for all accounts will be compounded and credited monthly. The earnings credit calculation for Premier Business Checking Accounts will occur monthly. The Dividend Period for Business Share Savings, Business Money Market Savings, High-Yield Business Checking, and Non-Profit Business Checking Accounts begins on the first calendar day (Effective Date) of the month and ends on the last calendar day (Effective Date) of the month. The earnings credit period for Premier Business Checking Accounts begins on the last calendar day (Effective Date) of the month and ends on the second-to-the-last calendar day (Effective Date) of the following month. The dividend period on Certificate Accounts begins on the date the Certificate account is opened or rolls over, and ends on the day prior to the maturity date.

4. Accrual of Dividends. For Business Share Savings, Business Money Market Savings, High-Yield Business Checking and Non-Profit Business Checking Accounts, dividends will begin to accrue on cash and non-cash deposits on the day the credit union receives provisional credit. For Premier Business Checking Accounts, earnings credit will begin to accrue on cash and non-cash deposits on the day the credit union receives provisional credit. Dividends/earnings credit will

begin to accrue on electronic direct deposits on the calendar day (Effective Date) we receive the deposit. If you close a Business Share Savings, Business Money Market Savings, High-Yield Business Checking or Non-Profit Business Checking Account before accrued dividends are credited, accrued dividends will not be paid. If you close a Premier Business Checking Account before earnings credits are applied, monthly fees may not be offset.

5. Balance Information. The minimum balance required to open each account is set forth herein. For Business Share Savings, Business Money Market Savings, High-Yield Business Checking or Non-Profit Business Checking and Certificate Accounts, the minimum daily balance required to obtain the stated Annual Percentage Yield is set forth herein. If the minimum balance is not met, you will not earn stated Annual Percentage Yield. For all accounts, dividends are calculated by the daily balance method, which applies a daily periodic rate to the principal in the account each day.

6. Business Savings and Business Checking Account Transaction Limitations. For Business Share Savings, Business Money Market Savings and Business Checking Accounts, no account transaction limitations apply.

7. Certificate Account Features.

a. Account Limitations. After your account is opened, you may not make additional deposits except with Dedicated Savings and Flexible Certificate Accounts. For Dedicated Savings Accounts, you must choose a monthly amount (\$10 minimum) to be automatically transferred from your Business Checking, Business Share Savings or Business Money Market Accounts. For Flexible Certificate Accounts, you may choose a monthly amount (\$10 minimum) to be automatically transferred from your Business Checking, Business Share Savings or Business Money Market Accounts. You may also make additional deposits of up to \$10,000 each calendar month with a Dedicated Savings or Flexible Certificate Account. On the crediting date, you may elect to have dividends transferred automatically to your Business Share Savings, Business Money Market Savings, or Business Checking Account. Each member business is limited to \$100,000 in any one (1) or combination of Dedicated Savings Accounts, and \$100,000 in any one (1) or combination of Flexible Certificate Accounts.

b. Maturity. Your Certificate Account will mature on the maturity date set forth on your Account Receipt or Renewal Notice.

c. Early Withdrawal Penalty. We may impose a penalty if you withdraw any of the principal before the maturity date.

(1) Amount of Penalty. For all Certificate Accounts, the amount of the early withdrawal penalty is based on the term of your account. The penalty schedule is as follows: Terms of twelve (12) months or less—sixty (60) days of dividend; terms over twelve (12) months—one hundred eighty (180) days of dividend. Minimum penalty is \$5.

(2) How the Penalty Works. The penalty is calculated as a forfeiture of part of the dividend that has been or would be earned on the amount withdrawn. It applies whether or not the dividend has been earned. If the account has not yet earned enough dividends or if the dividend has already been paid, the penalty will be deducted from the principal.

(3) Exceptions to Early Withdrawal Penalties. We may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances:

1. For Flexible Certificate Accounts that have been open at least one (1) full calendar month prior to the end of the quarter month (January, April, July and October), you may make one (1) withdrawal of any amount up to the balance during the first five (5) calendar days of a calendar quarter month (January, April, July and October).

d. Renewal Policy. Regular Certificate, Dedicated Savings, and Flexible Certificate Accounts are automatically

renewable accounts. Guaranteed-Rate Certificate Accounts are automatically renewable for only one (1) additional term. Following one (1) additional term, Guaranteed Rate Certificate Accounts are automatically renewable as Regular Certificates. Your account will automatically renew for another term upon maturity and you have a grace period of ten (10) days after maturity in which to withdraw funds in the account without being charged an early-withdrawal penalty. Ladder Certificates automatically renew to the longest term of the ladder maturity structure. Bump-Rate and Flexible Certificates are automatically renewable as Regular Certificates. From time to time, the credit union may offer Certificates at special rates. These "special offerings" are renewable as Regular Certificates. You may elect not to have your Certificate Account renew at any time.

e. Nontransferable/Non-Negotiable. Your account is nontransferable and non-negotiable. The funds in your account may not be pledged to secure any obligation without our prior written consent.

If you have any questions or require current rate information on your accounts, please contact us.

BUSINESS CHECKING ACCOUNT FEATURES
